

The #1 supplier of shopping cart wheels and casters in the U.S.

RUSTMASTER

P25C154CGGN Premium Plastic Shopping Cart Caster

- 1 - Grade 5 Dacromet coated kingpin
- 2 - Precision bearing raceway
- 3 - Sealed raceway prevents contamination
- 4 - Aesthetically pleasing dustcap keeps out debris

The popular P&H **RUSTMASTER** premium plastic shopping cart caster is designed for wet environments. This caster is an excellent solution for retail and food service operations and for equipment in locations near saltwater. Hospitals, specialty carts, and coldweather environments are applications where the Rustmaster is a superior solution to other casters.

The durable plastic yoke minimizes vibration during operation, resulting in an exceptionally smooth and quiet ride. The clean, rustproof body makes this a perfect solution for clean environments.

FEATURES

Wheel
