# RACKMASTER

## Z20S254CLDE Square Swivel Stem Caster w/Polyurethane Wheel

S Series

- 1 - High quality polyurethane tread
- 2 - High impact polypropylene hub
- 3 - PolyU® patented QuadX bearing system
- 4 - Staggered recessed grooves bond tread to hub
- 5 - HDPE threadguard

The **RACKMASTER S-Series** light/medium duty square stem swivel caster is one of the most versatile of the P&H line.

A multi-purpose caster that is suitable for racks and fixtures of many types, this caster is available in several models and has an optional side or top brake. The Rackmaster S-Series is also offered with a variety of wheel options to best suit your specific application.

The wide variety of potential applications for this caster make it one of our most popular models.
