NEW PRODUCT: TOTALOCK CASTER

BRAKE SYSTEM

FEATURES

- Medium/heavy duty swivel caster
- Premium zinc non-heat treated yoke
- 100 x 85 MM plate mount
- 6" x 1 1/4" TPR crown tread gray/black wheel
- 5/16" dual precision bearing
- 5/16" axle and nylon lock nut
- Total lock brake

APPLICATIONS

P&H's dual braking system is available to fit a range of our material handling casters.

This dual braking system represents a step up in safety from standard single side or top brake systems.

The brakes are mounted to the casters on both sides and connected to each other by a metal rod. The cart motion is totally locked when the brake is engaged on either side. These total lock casters are a part of the **P&H enhanced safety material handling product line.**
