New Product: STAINLESS STEEL EXPANDABLE

UNIVERSAL Adapter Yoke for all sizes of Stem Casters

FEATURES

Our new stainless steel yoke expands the potential applications for this popular line of P&H light/medium duty casters.

This new yoke will fit all sizes of our expandable casters. Producing this already popular product in stainless steel results in a more durable, premium quality, washable solution for wash down and wet locations. Stainless steel is more resistant to corrosion from cleaning agents, steam and other rust causing agents.

P&H expandable casters are available with top or side brakes.

APPLICATIONS

- Laboratory equipment
- Retail displays and fixtures
- Food service racks and carts
- Medical carts and racks
- Retail displays and store fixtures
- Hospitality and janitorial
