# New Product: **WU3053QD**

**5" x 1-1/2" Tread Red/Black**

*Option of our best selling polyurethane multi-purpose wheel products!*

## FEATURES

These light/medium duty wheels are part of the existing P&H line of multi-purpose products that are staples of our broad range of material handling wheels and casters. This line of products also includes what we built our reputation on--our outstanding shopping cart wheels and casters.

The P&H "difference" in this new product goes beyond the flashy red color: we've widened the tread to make this wheel even more stable on uneven surfaces and included our patented dual precision bearing system.

## APPLICATIONS

- Warehouse carts and dollies
- Commercial kitchen and food service
- Retail backroom racks and carts
- Restaurant racks and cabinets
- Retail displays and store fixtures
- General purpose material handling
