

P&H CASTERS ACHIEVES ISO9001:2015 CERTIFICATION

P&H Casters Company, Inc. is proud to announce that we have achieved ISO 9001:2015 certification. This internationally recognized standard ensures that our products and services meet the needs of our clients through an effective quality management system.

P&H developed and implemented our quality management system to foster our ongoing goals of improving the quality of our products and enhance the quality of our service. Our decision to work towards ISO 9001:2015 accreditation demonstrates our commitment to providing the highest quality products and services to our clients. The ISO 9001:2015 certification process is an important aspect of our investment in ongoing product design technologies and manufacturing processes that drive product improvements.

To become ISO 9001 compliant, P&H Casters underwent an evaluation process that included quality management system development, a management system documentation review, audit and initial assessment.

P&H Casters hopes that the ISO9001:2015 certification will provide an additional measure of confidence in our products and services to our customers.
